

# Library

the feel of the book  
the turn of the page  
the holding of words  
tactile responses  
a quiet place  
a gentle space  
open to all  
everyone

A reading group  
in the room upstairs  
privileged  
out of bounds  
to the general public

A different kind  
of worship  
the holding of words

**Amanda May**
